DOMINION ORDERS IN COUNCIL.

[235]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, 6th February, 1901.

PRESENT:

HIS EXCELLENCY IN COUNCIL.

WHEREAS section 34 of the Regulations governing the disposal of coal lands, the property of the Crown, in Manitoba, the North-West Territories and British Columbia, established by Order in Council of 17th September, 1889, provides for the sale of lands containing anthracite coal at an upset price of \$20.00 per acre cash, and of lands containing coal other than anthracite at \$10.00 per acre cash:

And whereas it is deemed advisable in the public interest to make provision for the payment of coal lands either in cash or scrip at the time of the sale, or in yearly instalments; and to impose a royalty on the coal mined from lands acquired from the Crown:

Therefore, His Excellency, by and with the advice of the King's Privy Council for Canada, is pleased to order that the aforesaid section 34 of the said Regulations governing the disposal of coal lands, the property of the Crown, in Manitoba, the North-West Territories and British Columbia, shall be and the same is hereby rescinded, and the following substituted therefor:—

"Lands containing anthracite coal may be sold at an upset price of \$20.00 per acre, and coal other than anthracite at an upset price of \$10.00 per acre, or may be sold by public competition if the Minister of the Interior shall so decide. Payment for the land in cash or scrip shall be made when the application is granted, or payment may be made of one-quarter of the purchase price only, and the balance in three equal annual instalments with interest at the rate of six per cent. per annum upon the unpaid balances. Scrip, however, cannot be accepted unless payment is made in full at the time of the sale. If payment is not made accordingly the right to purchase will be cancelled.

"In addition to the above a royalty at such rate as may from time to time be specified by Order in Council will be levied and collected on the gross output of the mine, and it will be necessary for the person

"operating a mine to furnish the Agent of Dominion Lands with sworn returns monthly, or at such times as the Minister of the Interior may direct, accounting for the full quantity of coal mined, and pay the royalty thereon at the above rate.

"Default in payment of such royalty, if continued for ten days after notice has been posted at the mine in respect of which it is demanded, or in the vicinity of such mine, by the Agent of Dominion Lands or by his direction, shall be followed by cancellation of the sale. In case of such cancellation no payments which may have been made on account of the purchase will be refunded.

"The patent which may be issued for coal lands will be made subject to the payment of the above royalty, and provision will be made therein that the Minister of the Interior may declare the patent to be null and void for default in the payment of the royalty on the coal mined.

"Any attempt to defraud the Crown by withholding any part of the revenue thus provided for, by making false statements of the amounts taken out shall be punished by cancellation of the sale of the land in respect of which fraud or false statements have been committed or made, and the Minister of the Interior may, for the same cause, declare the patent which may have been issued for the land to be null and void. In respect to the facts as to such fraud or false statements or non-payment of royalty the decision of the Minister of the Interior shall be final."

JOHN J. MCGEE,
Clerk of the Privy Council.
